GENERAL ORDER.

HORSE-GUARDS, 19th March, 1821.

IT being His Majesty's determination that no Officer holding a Commission in His Service, (whether on Full or Half Pay,) should engage in the Service of any of the Powers or Countries which are unfortunately now involved in Hostilities, The Commander in Chief has received His Majesty's Commands to caution all Officers who have obtained leave to visit the Continent, or to reside there; all those who may hereafter proceed to the Continent, as well as those who may have previously obtained His Majesty's Sanction to serve in any Foreign Army, against engaging or continuing in the employment of the Armies of any of the Contending Parties; and His Royal Highness is further commanded to admonish them, that by disregarding this Caution, they will forfeit their Commissions in the British Service.

By His Royal Highness
The Commander in Chief's Command.
HENRY TORRENS,
Adjutant-General.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree

to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, for any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

ENSIGN John Pinniger, late of the 1st Foot, having, at the late Assizes for Wiltshire, been convicted of giving to Three different Bankers affidavits for the same Quarter's Half-pay, and of thereby fraudulently obtaining from each of them a sum (on account) equal to the said Half-pay, notwithstanding he had previously received his Half-pay for that Quarter through his Agent; His Majesty, deeming the said Ensign John Pinniger to be unworthy of holding a Commission in His Majesty's service, has thought fit to command that the name of the said Ensign John Pinniger be erased from the Half-pay List of the Army.

MEMORANDUM.

THE Secretary at War acknowledges to have received from A. Z. a Bank Post Bill for £25, in part repayment of a sum of £130, stated by A. Z. to be due by him to the Public, in consequence of an error discovered by him in his Accounts, and the above-mentioned Bill has been paid by the Secretary at War, to the account of the Paymaster General, at the Bank of England.

Warrant authorizing the Substitution of Blue Grey Pantaloons for Dark Grey Pantaloons, and an additional Stoppage, not exceeding One Shilling per Annum, from the Pay of each Soldier supplied with the first mentioned Article.

GEORGE R.

WHEREAS by Our Warrant, dated the 15th July, 1812, in the 52d year of the reign of Our late Royal Father, regulating the provision of Clothing, Necessaries, Great Coats, and Appointments for Corps of Infantry, We were pleased to direct the sum of One Shilling and Sixpence per annum to be stopped from the Pay of each Soldier belonging to Regiments Abroad, (those in the East Indies and to the Eastward of the Cape of Good Hope and in the West Indies excepted,) for the difference between the expense of providing the Soldier with Dark Grey Pantaloons instead of Breeches; and whereas it has been represented unto Us, that Pantaloons of a Blue Grey Colour are, in point of quality and durability, preferable to those of a Dark Grey Colour, but at the same time more expensive on account of the Dye, We hereby authorize the Colonels of all such Regiments as are now required to be furnished with Dark Grey Pantaloons to substitute Blue Grey Pantaloons, in all cases in which the same shall be preferred; and We direct that, in consideration of the superior cost and quality of the latter Articles, a further Stoppage, not exceeding in any instance One Shilling per Annum, shall be made from the Pay of each Man supplied therewith.

And for so doing this shall be, to all persons whom it doth or may concern, a sufficient Warrant, Authority and Direction.

Given at Our Court at Carlton Palace, this 20th day of March, 1821, in the Second Year of Our Reign.

By His Majesty's Command.

I HAVE the honour to acquaint you, that by an Act which has just received the Royal Assent, intituled "An Act for fixing the Rates of Subsistence to be paid to Innkeepers and others on Quartering Soldiers," the Rate of Allowance for the Hot Meal provided for Non-commissioned Officers or Private Soldiers on a March in South Britain is to continue until the 24th of the present month inclusive at Fourteen Pence per diem, but from and after the 25th instant is to be reduced to Twelve-pence per diem; and the Rate of Allowance to Innkeepers and others, on whom any of the Horses belonging to His Majesty's Forces shall be quartered, for Hay and Straw, is to continue until the 24th instant at Twelve pence per diem for each Horse, but from and after the 25th instant is to be reduced to Ten-pence per diem for each Horse; the Charges to be made in the Public Regimental Accompts, under the head of "Encreased Rates to Innkeepers, &c." for Men on the March in South Britain, will consequently be reduced on the 25th instant from Fifteen-pence each in the Cavalry to Thirteen-pence, and from Seventeen-pence each in the Infantry to Fifteen-pence; and from the same day, the Allowance to discharged men will be reduced from One Shilling and Ten-pence for each day's march to One Shilling and Eight-pence.

GENERAL ORDER. No. 386.

Horse Guards, 16th May, 1821.

THE Master General and Board of Ordnance having issued the annexed Regulations for conducting Surveys upon unserviceable Ordnance Stores at Home and Abroad, and it being thereby intended that Military Officers shall in future be eligible to assist at these Surveys, the Commander in Chief desires that all applications for such assistance from the Troops may be duly complied with from time to time.

By Command of His Royal Highness
The Commander in Chief.
HENRY TORRENS,
Adjutant-General.

CIRCULAR.

Office of Ordnance, 19th April, 1821.

SIR,

THE Master General, on perusing the Report of Proceedings upon a late Investigation at Sheerness of certain Charges against the Storekeeper and the rest of the respective Officers at that place, having

recommended the adoption of some measures to remedy, among other evils, the present mode of Survey and Condemnation of Unserviceable Stores, and particularly Gun Carriages; and His Grace and the Board having further considered the subject, with reference to the General Order dated 27th January, 1804, which forms the existing Regulation on that point, have been pleased to direct, in addition to the Instructions therein prescribed, that, at the several Stations at Home and Abroad, the following Rules should be observed when it may be deemed necessary to ascertain by Survey the State of the Gun Carriages and other Stores in charge, viz.—

That such Survey be conducted by all the respective Officers, including the Officers of Artillery and Engineers, on the spot, who are jointly to report the result to the Master General and Board Half-yearly;—

That the several Articles which, upon the Survey, may be pronounced Unserviceable, be so distinguished in the Report, as well as the causes to which their Unserviceable State may be ascribed;—

That the Stores which may be found in a Repairable State be also detailed in the Report, together with a Specification of the Repairs required to render them fit for Service: and the Expence of the Repair to be detailed as nearly as can be estimated.

And the Board, upon the Receipt of such Reports, from time to time, will give such Orders as they may think expedient for the disposal of the Unserviceable Stores, and for the Repair of those that may be considered Repairable; attention being had, in the interim, to the Regulations in force, which prohibit the disposal of Unserviceable Stores without the Board's previous sanction.

The Master General and the Board are further pleased to direct that, whenever there shall be a Survey of Stores for the purpose of ascertaining quantities or condition and state, and there should be any of His Majesty's Ships and Troops at the Station, or either at the Station, the Commanding Officer of both or either, should be requested to order an Officer of both or either, to attend the Survey with the respective Officers above ordered, who, together with the respective Officers, should sign the Proceedings—the Signature of the Proceedings by such Officer of the Navy or Troops to be considered, however, as binding them only to the accuracy of the Report which they shall make.

It is also directed, that a Copy of this Order be furnished to the Commanding Officer of the Navy or Troops, when application shall be made for the attendance of an Officer on the Survey.

I am accordingly to notify the Master General's and Board's Commands, that you will implicitly adhere to this Order in all future Surveys of Ordnance Stores, and acknowledge the Receipt of it.

I am, &c.

(Signed) R. H. CREW.

The Commanding Officer of Artillery,
The Commanding Royal Engineer,
and respective Officers of the Ordnance.

CIRCULAR. No. 432.

WAR-OFFICE, 12th May, 1820.

HIS Majesty having been pleased to approve of the Regiment of Militia, under Command, being called out for Training and Exercise, in the present Year, as soon as the necessary arrangements can be made for that purpose, I have the honour to communicate the following particulars respecting the Pay, Allowances, and Equipment of the Officers and Men on this occasion, viz.

The Officers, Non-commissioned Officers, Drummers, and Men, are to receive, during the period of Training, the same Rates of Regimental Pay and Allowances as the Militia received while they were last embodied. The Officers will receive an Allowance for the Carriage of their Baggage at the Rate of Nine-pence per Mile, from the place of their Residence, if within

the County, or if not within the County, then from that Border of their own County which is nearest to the Place where they may happen to be when summoned to attend.

The Men will receive the usual Marching Allowance from the places from which they shall proceed to join, provided such places be not more distant from the Place of Assembly than the Parishes for which they are respectively enrolled; and the like Allowances will be made to the Officers and Men on being dismissed.

Instructions will be given to the Paymaster as to the Rates of the said Pay and Allowances, and as to the mode of drawing for, and issuing the same, but no Officer or Man will be entitled to pay for any period of Absence, even though Absent with Leave, unless he shall have joined the Regiment during the period of Assembly.

The Permanent Non-Commissioned Officers and Drummers are, of course, fully Clothed and Equipped for Duty; it is therefore only necessary to provide for the Equipment of the additional Non-commissioned Officers and Drummers, and of the Private Men; and a sufficient quantity of the Articles specified in the Margin* will be sent for this purpose from the Public Stores.

The small Articles of Necessaries, such as Shoe-brushes, &c., are to be provided out of the Regulated Stoppages from the Pay of the Men during the Period of Training, according to the Act of the 42d Geo. III. Cap. 90. Sec. 96.

The Articles so provided out of the Stoppages are to be taken away by the Men on being dismissed; the other Articles of Clothing and Necessaries are to be lodged carefully in the Regimental Stores for use on future occasions.

It is not thought necessary at this Season of the Year to furnish Great Coats for the whole Corps, it being expected that those now in the Regimental Store, or in wear by the Permanent Non commissioned Officers and Drummers, will be sufficient for the proportion of the Men on Guard.

As may not be in possession of the Pay and Clothing Act for the Disembodied Militia for the Current Year, I enclose a Printed Copy thereof for your Information.

I have, &c.
(Signed) PALMERSTON.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices*, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service, from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, for any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no more shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

ENSIGN John Pinniger, late of the 1st Foot, having at the late Assizes for Wiltshire, been convicted of giving to Three different Bankers affidavits for the same Quarter's Half-pay, and of thereby fraudulently obtaining from each of them a sum (on account) equal to the said Half-pay, notwithstanding he had previously received his Half-pay for that Quarter through his Agent; His Majesty, deeming the said Ensign John Pinniger to be unworthy of holding a Commission in His Majesty's service, has thought fit to command that the name of the said Ensign John Pinniger be erased from the Half-pay List of the Army.

MEMORANDUM.

THE Secretary at War acknowledges to have received from A. Z. a Bank Post Bill for £25, in part repayment of a sum of £130, stated by A. Z. to be due by him to the Public, in consequence of an error discovered by him in his Accounts, and the above-mentioned Bill has been paid by the Secretary at War, to the account of the Paymaster General, at the Bank of England.

MEMORANDUM.

THE Secretary at War has received from an Anonymous Writer a Bank Note of Ten Pounds, No. 14,836, dated 4th April, 1821, which has been paid into the Bank of England, to the credit of the Paymaster General of the Army, agreeably to the desire of the said writer.

No. 387.

GENERAL ORDER.

HORSE-GUARDS, 10th July, 1821.

THE Commander in Cheif has observed, that in some instances Lieutenant-Colonels of Regiments have taken upon themselves to infringe His Majesty's Regulations, and to neglect the Injunctions contained in the Adjutant General's Circular of the 28th April, 1810, by altering the Form or Make of the Clothing of the Soldiers from the *Patterns* established by the King's Order, which are annually sent to each corps; and His Royal Highness feels it incumbent upon him to visit a practice so unbecoming and improper with His marked Censure and Displeasure.

In proportion as the Reduction of the Staff may limit the means of regular Instruction, His Royal Highness would expect from Commanding Officers of Corps an adherence to the Orders of the Army, corresponding with the circumstances under which they are placed; but this should prove that this confidence is not misplaced, His Royal Highness will undoubtedly look upon the assurance now given, that he will submit to the King, for Removal from the Service, any Commanding Officer who shall deviate, in the least particular, from His Majesty's Regulations for the Clothing and Equipment of the Troops.

By the Commander in Chief's Command.

HENRY TORRENS,
Adjutant-General.

GENERAL ORDERS.

HORSE GUARDS, 20th July, 1821.

H.R. Commander in Chief has received the King's gracious command to express to the Troops employed yesterday, in aid of the arrangements for the Coronation, His Majesty's Thanks for the orderly, soldierlike, and exemplary conduct which they have evinced upon the occasion.

The Commander in Chief has received the King's further command, through the Secretary of State, to convey to the Light Horse Volunteers, the Honorable Artillery Company, the 1st and 2d Bucks, the Surry, and Berkshire Cavalry, His Majesty's Thanks for their Services upon the same occasion, and his full sense and approbation of the loyalty and zeal which they have manifested in the offer of them.

By Command of His Royal Highness

The Commander-in-Chief.

H. TORRENS, Adjut. Gen.

BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, for any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

ENSIGN John Pinniger, late of the 1st Foot, having, at the late Assizes for Wiltshire, been convicted of giving to Three different Bankers affidavits for the same Quarter's Half-pay, and of thereby fraudulently obtaining from each of them a sum (on account) equal to the said Half-pay, notwithstanding he had previously received his Half-pay for that Quarter through his Agent; His Majesty, deeming the said Ensign John Pinniger to be unworthy of holding a Commission in His Majesty's service, has thought fit to command that the name of the said Ensign John Pinniger be erased from the Half-pay List of the Army.

CIRCULAR, No. 455.

WAR-OFFICE, 28th July, 1821.

SIR,

IT having been found that in some cases in which Deceased Soldiers have left Wills in favour of their Comrades or of Parties resident on the Station where the Testators have died, such Wills have been delivered to the individuals chiefly interested in them, without any sufficient record of the contents of the Will having been preserved at the Head Quarters of the Corps, I have to desire that in all future cases in which Soldiers of the Regiment under your command shall die, leaving Wills, Copies of such Wills properly authenticated may be forwarded to this Office at the same time with the Casualty Returns in which the Death of the Testators may be reported; in order that adequate means may exist to supply the Relatives, or others interested in the matter, with any information which they may seek for, regarding the provisions of such Wills.

I have, &c.

(Signed) PALMERSTON.
